Name _____

Directions: When completing an entry, fill in each box from left to right.

Genres to pick from are: realistic fiction, science fiction, fantasy, mystery, historical fiction, or non-fiction.

On the column marked “Respond,” begin your response with one of the prompts from the top box. Each response in the “Respond” box should be at least 2 sentences.

Title: The City of Ember

Author: Jeanne DuPrau

Genre: Science Fiction

Date	Page Number	Respond (start each response with one of the following): I'm wondering....I can see a clear picture of...I feel sorry for...I really liked it when...Can you believe...? I made a connection to....WOW! Today in my story....
7/20/09	11	I can see a clear picture of Lina picking the job of working in the pipeworks. Her face looked very sad as she picked the job that she didn't want. Her voice was "loud and cracked" because she was very disappointed.
7/25/09	70-83	Wow! Today in my story Lina was excited because Looper had colored pencils for her to buy. She bought two colored pencils, but when she turned around, Poppy was gone! Luckily, Doon was around, and he found Poppy for Lina.
8/1/09	151	I'm wondering how Looper is finding all of the things in the storeroom. I wonder if he is going to get caught since he gives all of the things that he finds to Lizzie. After all, it seems wrong that she gets all of the items and no one else in the city does.
